

RHHS Class of 1969 – The 40-Year Class Book Survey

He cried in a whisper at some image, at some vision—he cried out twice, a cry that was no more than a breath—"The horror! The horror!"

– Joseph Conrad, *Heart of Darkness*

How can we be this old? Horrifying but true, the Class of 1969's 40-Year Class Book is coming, and you are invited to contribute **whether you attend the reunion or not**. In the interest of compiling a current directory of classmate contact information and a narrative of the last (shudder) **forty years**, please feel free to fill out as much or as little of this ~~essay test~~ survey as you like. Elaboration is highly encouraged, though. Please note, your answers will definitely be shared for posterity in our upcoming Class Book but may be edited for space considerations. Thanks so much for your time and thoughts!
